4. PURPOSE AND BASES FOR THE PROCESSING OF PERSONAL DATA

The primary basis for the processing of personal data is the customer relationship between Jackon Finland and the customer, the customer's consent, the order given by the customer or any other material connection.

Personal data may be processed for the following purposes:

- Management, implementation, development and monitoring of customer relationship, customer service and related communications and marketing.
- Analyzing, grouping and reporting customer relationships and other business development purposes at Jackon Finland.
- Collecting and processing customer feedback and customer satisfaction information.
- to improve network service user experience of jackon.fi, with the goal of targeting our communications so that the customer or potential customer gets the message that's right for them

5. REGISTER DATA CONTENT

Among other things, the following information can be stored about a registered person:

- basic data: first name, surname, email address
- sent question or other contact
- profiling- and interest data possible given by the customer
- the date and time of the contact
- any other information collected with the customer's consent
- prohibitions, restrictions, consents, and other choices
- cookies and other information describing your use of the Service may be stored for the purpose of monitoring and developing your use of the Service. Such information may include, for example, the time of visit, the pages visited, the type of browser used, the web address from which the user came to the webpage, and the server from which the user came to the webpage

- information related to the processing of the data, such as the date of recording and the source of the data

6. SOURCES OF THE REGISTER

Information about registrants and any changes to them can be obtained from jackon.com, company registrars, customer relationships, and notifications by email, telephone or otherwise.

We also monitor cookies and a user's visit to Jackon's site leaves a trace, the IP address.

7. REGULAR DISCLOSURE AND DATA TRANSFERS OUTSIDE THE EUROPEAN UNION OR THE EUROPEAN ECONOMIC AREA

The controller has the right to transfer personal data freely within the European Union or the European Economic Area in order to carry out the service. The controller is also entitled to transfer personal data outside the European Union or the European Economic Area in accordance with data protection law.

8. PROTECTION OF REGISTERS AND PERIODS OF PERSONAL DATA

We respect the confidentiality of personal information. The logs are stored in a database protected by firewalls, passwords, and other technical means and accessible by Jackon authorized persons.

Any manual material will be stored in a locked location that is only accessible to authorized individuals. We will dispose of outdated and unnecessary data in an appropriate manner.

We will only retain personal data for as long as is necessary to fulfill the purposes for which the personal data are defined in this privacy statement. Due to obligations under the Accounting Act or other applicable law, data may have to be retained for a longer period than the above.

9. RIGHTS OF THE REGISTRAR

The registrar has the right to object at any time to the processing of their personal data for direct marketing purposes. Each direct email sent by Jackon Finland has a legal link, which you can block in the future if you wish.

In addition, the data subject shall have the right at any time in accordance with applicable data protection law:

- to be informed of the processing of personal data;
- access your personal data and verify the personal data we process about you;
- require the rectification and completion of inaccurate or inaccurate personal information;
- require the removal of personal information;
- withdraw consent and object to the processing of personal data insofar as the processing of personal data is based on consent;
- object to the processing of personal data on the basis of a specific personal situation, to the extent that the processing of personal data is justified by our legitimate interests;
- and require the restriction of the processing of personal data. We may ask the registrant to clarify the request and verify the identity before processing the request. We may refuse to execute the request on the grounds provided by the applicable law.

The data subject will also always have the right to complain to the relevant supervisory authority or to the supervisory authority of the EU Member State of residence if he / she considers that we have not processed the personal data in accordance with the applicable data protection law.

10. CONTACTS

The registrant should submit requests for his / her rights in writing or by email with the following contact details:

Jackon Finland Oy
Toravantie 18
38210 SASTAMALA
jani.frantsila@jackon.fi

Jackon Finland Oy will respond to requests within 1 month of request unless there are specific reasons to extend the response time.

11. MODIFICATION OF THE PRIVACY STATEMENT

As part of our ongoing effort to improve our services, we reserve the right to change this Privacy Statement by notifying this page.
